# Camden Roofline

## Cast Iron Effect Guttering and Downpipe

Combining period style detailing, an authentic cast iron finish and classic charm, you'll find it almost impossible to tell the difference between our Cast Iron Effect and real cast iron.

Manufactured from lightweight plastic, it is easy to install, maintenance free, and comes with a 10 year guarantee.

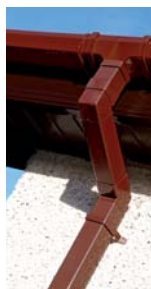

- Traditional detailing and authentic cast iron finish
- Cast Iron Style is a significantly more affordable system than cast iron
- No metal primer or paint required
- The system is UV stabilised and once installed it will not rust or corrode
- Fully compatible with existing cast iron and modern style rainwater systems

## PVCu Fascia, Soffit and Guttering

Camden Group have a extensive range of foiled fascia and soffit boards to complement your existing windows and doors. Our fascias and soffits easily combine with our guttering and downpipes for a complete roofline makeover.

- Fascia and Soffit available in 6 woodgrain effect colours including walnut and natural
- Modern clean lines
- Maintenance free
- Suitable for replacement work
- Long lasting - will not rot
- No painting required
- Cost effective alternative to wood or metal
